## French Language, Culture, and History

Dive headfirst into French culture in Paris, one of the most picturesque cities in the world! This program is designed to immerse students in the language and day-to-day rhythms of French culture. You will explore the past and present of France, from its rich history to its multicultural present, and examine what it means to be “Parisian” through the perspectives of the communities that call Paris home.

- Practice your French language skills both in and out of the classroom
- Live in the Latin Quarter Paris, across from the famous Luxembourg Gardens, with other program students
- Participate in field trips to local museums, theaters, and other cultural sites including the Musée d’Orsay, the Opéra Garnier, the Institut Pasteur, and the Sainte-Chapelle

Please note that this program begins with two weeks of instruction on the Berkeley campus before travel to Paris.

“I was amazed at how quickly I learned French while in Paris! Having a great teaching faculty along with being immersed in the language in one of the most beautiful cities in the world made me fall in love with the French language and with Paris.”
