2020

Entrepreneurship and Innovation in Europe

Join the European Innovation Academy in Cascais, Portugal for an intensive, fast-paced learning experience, where you will learn from venture capitalists, serial entrepreneurs, executives from Silicon Valley companies, and experts from across the globe.

This program trades traditional classrooms with challenge labs, where students work with over 60 mentors and 400 students from all over the world to create innovative products. Whether you're a seasoned student entrepreneur or have barely heard of Silicon Valley, this rigorous program gives you an incredible opportunity to explore your passion and potential within the startup scene and the world of business.
